Furniture

MAY EVENTS:

We're busy getting the makerspace facility ready to offer new opportunities for you to create, play, learn and share your ideas.

In the works:

- **screenprinting equipment has arrived! - you can help us get it operational**
- **100amp electrical needs to be installed for the new 20' x 40' woodworking shop – we're fundraising now to purchase the materials – your membership helps!**
- **introductory robotics workshops coming – dates to be announced soon**

All workshops are available to non-members!*

*Pre-registration required. These events may be re-scheduled or cancelled if we don't have enough interested people registered by the day of the event.

Check the Events Calendar for May events at:
<http://www.frederictonmakerspace.ca/events.html>

Online Makerspace Community Forum

We've just launched the [Fredericton Makerspace Community Forum](#) to support our activities at the makerspace itself. This public forum enables makers to discuss their projects, brainstorm solutions, show off their projects to other members, the Greater Fredericton community and other makers from around the world. **Members and non-members are invited to join and participate in this forum.**

Current Fredericton Makerspace Community Forum topics :

- 3-D Printing
- Arts & Crafts
- Electronics & Robotics
- Solar Energy
- Woodworking
- Show & Tell

info@frederictonmakerspace.ca or drop by the makerspace at 28 Saunders St (former YMCA).
Open Hours: Monday to Friday - 6pm -10pm

Fredericton Makerspace
*is a non-profit social community
facilitating informal learning and skills
sharing through creative collaboration
with others.*
